

# KMHS Chorus Fees

## Spring 2026

### Chorus Dues: \$30.00

This fee helps with the cost of music, guest speaker/conductors, accompanist, special events, technology needs, and meals before our concerts. This includes one free ticket to use for our Fall concert.

### Concert Dresses: \$85.00

All women in chorus are responsible for purchasing their own dress through the chorus department. Once the dress has arrived you will be responsible for any alterations that are needed. ***You must also wear black covered toe dress shoes.***

### Tuxes: \$20.00 rental

The men in chorus must pay a \$20 rental fee per semester. This fee includes pants, a jacket, and a green tie provided by the Chorus department. Your rental fee will cover dry cleaning costs. You are responsible for the care of these garments while they are in your possession. In the event of loss or damage to the items, you will be expected to cover the complete cost of repair or replacement. ***You will need to provide a black dress shirt, black dress shoes, and black socks.***

**The Chorus Dues and tux rental fees are PER SEMESTER. Although you paid these items in the Fall 2025, they are due again for costs associated with this semester. If you paid for both semesters up front, then you are covered 😊**

*Directions: Please attach the payment slip below to your payment and submit it in the chorus room. You may also pay through **Venmo to @kmhschorus1** (Under our treasurer's name, Greg Steinman- Confirmation code 8891.) If you use Venmo, please include the student's name AND what items you are paying for in the memo line!*
